### **School Board Organization**

#### **School Board Purpose and Roles**

The School Board of Education performs three basic functions in the management of the School District:

##### **Legislative**

The School Board shall exercise full legislative rule and management authority for the District by adopting policy and directing all procedures necessary for the governance of District educational and administrative responsibilities.

##### **Executive**

The School Board shall delegate to the Superintendent the responsibility of implementing all Board policy.

**Statement of Practices**

**Attendance**

Members shall attend all regularly scheduled Board of Education meetings insofar as possible. Any member failing to attend the meeting of the Board for three (3) consecutive regular meetings, unless excused by a majority of the Board for reasons satisfactory to the Board, shall be deemed to have vacated the seat; and the secretary of the Board shall certify that fact to the Board. The vacancy shall be filled as other vacancies occurring in the Board. Attendance for purposes of this provision shall be defined as actual, physical attendance at the Board meeting until all of the business of the Board has been completed unless a member is excused by a majority of the Board. However, Board members may participate fully via teleconferencing. If the Board meeting is required due to a bona fide emergency and if the emergency is stated on the record, Board members may also participate in roll call votes by other electronic means, including telephone.

**Knowledge**

Members shall come to Board of Education meetings informed concerning the issues to be considered.

**Abstentions**

Members shall avoid abstaining except when required by statute or Board policy. The members of the Board have been elected to make difficult decisions on behalf of the students, parents, patrons and employees of the district. The concept of trusteeship requires each member to review the issues under the Board's consideration and to take a stand regarding those issues. A member who has conformed to the above-described tenets of knowledge, open discussion, independent judgment, and independent and civility should be prepared to cast a vote on each of the issues before that member.

**Cooperation/Delegation**

Members shall work with other Board members to establish effective Board policies and to delegate authority for the administration of the schools to the Superintendent. Members shall not attempt to by-pass, undermine, or usurp the Superintendent's authority and responsibility for the daily operation of the schools.

**Conflict of Interest (Refer to Policy and Regulation 0342 – Nepotism, Conflict of Interest and Financial Disclosure)**

Members shall avoid being placed in a position of conflict of interest and shall not use the Board position for personal or partisan gain. Members shall conduct themselves in accordance with the conflict-of-interest policy and disclosure requirements prescribed by statute and Board policy.

**Confidentiality**

Members shall not disclose confidential information. Information is confidential if it is (a) communicated during executive session; or (b) otherwise communicated with a mutual understanding of confidentiality.

**Acceptance of Gifts**

Members shall not solicit or accept gifts, payments, or anything greater than a nominal value item or holiday gifts of nominal value from any person, organization, group, or entity doing business or desiring to do business with the School District.

**Contact with Vendors**

Members, if contacted by a vendor requesting information about the District's bidding procedures, whether of a general nature or with regard to specific goods or services to be bid, shall provide the vendor with the name and business telephone number of the administrator responsible for purchasing such goods or services. The member shall request that the vendor contact the relevant administrator and direct all questions and concerns to that administrator.

**Board Communications to Staff**

All official communications, policies, and directives of staff interest and concern will be communicated to staff members through the Superintendent, and the Superintendent will employ such media as are appropriate to keep the staff fully informed of the Board's concerns and actions.

**Visits to Schools**

Individual Board members who, in their parental capacity, wish to visit the school(s) or classroom(s) of their child(ren) will follow the regular procedures for visitors. Board members who wish to visit other schools or classrooms as an informal expression of interest in school affairs will inform the Superintendent who will arrange such visit(s) through appropriate

principal(s). Official visits by Board members will be conducted only with the full knowledge of the Superintendent and principal(s) involved.

**Educational Welfare**

Members shall remember always that the first and greatest concern must be the educational welfare of the students attending the School District.

### **School Board Organization**

#### **School Board Elections**

The qualified voters of the School District shall annually on the first Tuesday after the first Monday of April, elect two directors for terms of three years, except, effective for Board elections beginning in April of 1993, and each three years thereafter, when three directors shall be elected in compliance with regulations specified in state law.

An election shall not be held if the number of candidates who have filed for the Board is equal to the number of positions available. However, regardless of the number of Board vacancies and Board candidates, if a ballot proposition (i.e. tax levy, bond issue) is on the ballot, an election of Board members must be held. If no election would be held due to the number of candidates equaling the number of vacancies, the District will publish a notice containing the names of the candidates who will assume a Board directorship absent an election. This notice will be published in a newspaper of general circulation in the District on or by March 1 prior to the scheduled election.

#### **Qualified Voters in the School District**

An individual must be a registered voter in order to vote in a school election. In order to vote, a person must be eighteen (18) years of age or older, must be a citizen of the United States, and must reside in the School District thirty (30) days.

#### **Candidate Qualification - Method of Filing**

Qualified applicants for the Board may file for office beginning at 8:00 a.m. in the Superintendent's office commencing on the sixteenth (16th) Tuesday prior to the election and ending at 5:00 p.m. on the eleventh (11th) Tuesday before the election. The candidate shall declare his/her intent to become a candidate, in person and in writing to the secretary of the Board of Education. The names of qualified candidates shall be placed on the ballot in the order of filing. The notice of election and certification of candidates must be submitted to the county clerk by the tenth Tuesday prior to the election. Candidates must comply with all of the prevailing laws concerning eligibility and campaign financing.

A candidate who files for one vacancy and later decides to run for another shall be positioned on the ballot according to the time when his/her change of declaration is received by the secretary of the Board, not on the basis of when the first petition was filed.

Candidates must be citizens of the United States and resident taxpayers of the District, reside in his/her state for one year next preceding their election or appointment, and be at least twenty-four (24) years of age. Candidates will be disqualified from participation in a Board election if, the candidate is delinquent in the payment of any state income taxes, personal property taxes,

municipal taxes, real property taxes on the residence of the candidate. Candidates must also complete a notarized copy of Form 0320 - Candidate's Place of Residence attesting that the candidate is not currently aware of any delinquency in the filing or payment of state income taxes, personal property taxes, municipal taxes or real property taxes on the candidate's place of residence. The candidate must further attest that they are not a past or present corporate officer of the office that owes any taxes to the state, which are not in dispute. Said affidavit (MCE Form 0320) must include a copy of the affidavit with the declaration of candidacy (MCE Form 0320.1). Failure to accurately complete and file Form 5120 with the Department of Revenue may disqualify a candidate from the ballot. Each newly elected or appointed director shall qualify and take his/her oath of office in the manner prescribed by law and according to Policy 0330 - Oath of Office.

No person may be a candidate for a position on the Board if such person is registered as a sex offender, or is required to be registered as a sex offender under state law. Any Board member who is likewise required to register, or who is registered as a sex offender under state law will immediately be requested by the Board to resign from the Board. Should such Board member refuse to resign, the member will be ineligible to serve as a Board member at the end of his/her term.

In addition, no person shall qualify as a candidate for the Board of Education, who has been found guilty of, or has pled guilty to a felony or misdemeanor under federal law, or to a felony under Missouri law, or has been found guilty of an offense in another state, which would be considered to be a felony in the State of Missouri.

It is not the District's responsibility to investigate and determine a candidate's eligibility. That responsibility rests with the Department of Revenue and/or the County Election Authority.

2. To hold the Superintendent responsible for the implementation of Board policies and the administration of the District.
3. To give the Superintendent authority commensurate with his/her responsibility.
4. To vote on Board matters only after considering the recommendation of the Superintendent and any interested citizens.
